

Preschool Cutting Practice

30 Activities to help your
Preschooler build
strong scissor
and fine motor skills

Thank you for downloading my Preschool Cutting Practice Activity Packet. To use these activities simply print out the pages you would like to use for your kids. Follow the directions on each page. A parent or teacher will always trim the page along the solid black lines and your preschooler will cut along the dotted lines. Most pages have dots to indicate where the preschooler will start cutting.
